

**K. Thirupathi Reddy**

[kandadithirupathi4@gmail.com, 8106661580]

**CAREER OBJECTIVE:**

Committed to advancing knowledge in the field through innovative research and practical applications. Seeking an opportunity to contribute to cutting-edge projects, collaborate with industry experts, and make a significant impact in the academic and technological landscape.

**Summary:**

Driven and accomplished professional pursuing a (PhD) in Computer Science & Engineering, specializing in Data Science. Committed to conducting innovative research and contributing to advancements in the field. Seeking a challenging position that allows me to apply my expertise, collaborate with like-minded individuals, and make a meaningful impact.

**Education:**

PhD in Computer Science & Engineering (In Progress) at  
Chaitanya Deemed to be University, [2025]

Master of Technology in Computer Science and Engineering  
CMR College of Engineering and Technology (JNTUH) – CSE, [2016]

Bachelor of Technology in Computer Science and Engineering  
Vaageswari College of Engineering and Technology (JNTUH), [2013]

**Subjects Taught:**

- BIGDATA.
- Natural language Processing.
- Machine Learning.
- Data Science.
- Data Analytics and Visualization (DAV)
- Internet of Web Programming (HTML, Php, Javascript, XML and SQL).
- Design and Analysis of Algorithms (DAA)
- Computer Networks.

Cloud Computing

- PPS – Programming for Problem Solving.

**Skills:**

- Website Designing.
- Proficient in Dataset preparation and analysis.
- Organized an International Conference (ICCISD-2023) as a Co-convenor.
- Strong analytical and problem-solving abilities, with keen attention to detail.
- Good communication skills, both verbal and written.
- Proven ability to work collaboratively in interdisciplinary research environments.

**Experience:**

Teaching Assistant, Chaitanya Deemed to be a University

[2020] - [Present]

Teaching Assistant, Ramappa Engineering College

[2018] - [2020]

Mahendra's Banking Institute

[2016] - [2018]

- Assisted professors in, preparing course materials, and evaluating student assignments.
- Conducted interactive workshops and tutorials, ensuring students understanding of complex topics.
- Mentored students individually, addressing academic concerns and facilitating their learning process.
- **NAAC** administrative coordinator.

**Cleancode:**

Working as a trainer in cleancode institute Warangal branch. Courses training for students:

Fullstack (Html, Css, JS, SQL, Php)

MERNstack (MongoDB, ExpressJS, ReactJS, NodeJS)

Python (Flask, Streamlit)

Visualization (R, PowerBI, Tableau)

**Research Experience:**

Research Scholar, Chaitanya Deemed to be University

[2022] - [Pursuing]

- Collaborated with **Prof. G Shankar Lingam** on research projects related to [Data Science].
- Conducted extensive literature reviews, gathered and analyzed data, and presented research findings.
- Co-authored research papers and delivered presentations at conferences, contributing to the academic community's knowledge base.

**Other Experience:**

**Website Designer**, Chaitanya Deemed to be University

[2020] - Present

- Currently I am looking after the University website [www.chaitanya.edu.in](http://www.chaitanya.edu.in)
- Developed [www.divitmbc.com](http://www.divitmbc.com) website (USA) currently it is giving employment for few people.
- Developed some journal's website for faculty of engineering [www.iccisid.chaitanya.edu.in](http://www.iccisid.chaitanya.edu.in)
- Developed some journal's website for faculty of Sciences [www.cer.chaitanya.edu.in](http://www.cer.chaitanya.edu.in)
- Developed some journal's website for faculty of Management [www.prakarsha.chaitanya.edu.in](http://www.prakarsha.chaitanya.edu.in)
- Developed some journal's website for faculty of Sciences [www.jbs.chaitanya.edu.in](http://www.jbs.chaitanya.edu.in)
- Organized an International conference (ICCISD-2023) as a co-convener.

**Industry visits:**

**Infosys Campus Visit-2025:** Gained valuable insights into operations and learned about cutting-edge technologies and practices during the visit to the Infosys campus.

**CISCO – 2024:** Attended CISCO annual meeting conference in 2024 behalf of college.

**Infosys Campus Visit-2023:** Gained valuable insights into operations and learned about cutting-edge technologies and practices during the visit to the Infosys campus.

**ISRO Visit-2022:** Participated in a visit to the Indian Space Research Organization (ISRO), exploring their facilities and gaining knowledge about space exploration projects. This experience further fueled my passion for computer science and its applications in space technology.

**Career Guidance Programs:** Invited by Bhishma Institute of Management and Science, Vishakapatnam on behalf of Cleancode Institute as a trainer to present on Business Intelligence, Machine Learning, Frontend and Backend Applications.
