career objective

A Full Stack Developer with a solid background in web development. Currently working as an intern at CleanCode Coaching Center, where I am gaining experience in building scalable and efficient web solutions. Experienced in frontend and backend technologies. Interested in using machine learning and AI tools to build intelligent, user-friendly websites.

Professional Experience

4/5/2025   **intern - Clean Code**
warangal   *student*
              Developed full stack web applications with Flask, React.js, HTML, CSS, and JavaScript. Created and consumed RESTful APIs, worked with data using MongoDB/MySQL, and worked in an Agile team. Had hands-on experience managing projects using Git.

Education

computer science and engineering
vaagdevi engineering college 2024 (Warangal)

12th standard (MPC)
social welfare residential college 2020 (Warangal, Madikonda)

10th standard
millennium high school (CBSE) 2018 (Warangal , Hanumakonda)

Skills

* **Web technologies : HTML , CSS , bootstrap ,
javascript ,react js , node js**
* **programming language** : sql , Mongodb ,
python(flask , streamlit , django) ,php

Languages

• Telugu , English , Hindi

Projects

IMAGE CAPTION GENERATION USING VGG16 AND LSTM
This project focuses on image caption generation using a combination of VGG16, a convolutional neural network for image feature extraction, and LSTM (Long Short-Term Memory), a recurrent neural network for sequence generation. The VGG16 model is employed to extract relevant features from input images, and these features are then fed into an LSTM network to generate descriptive captions.

AUTOFORESIGHT : A PREDICTIVE MODEL FOR STREAMLINING CAR LOAN REPAYMENT PLANNING

"Auto Foresight" is a project dedicated to creating a predictive model aimed at simplifying car loan repayment planning. Car loans are substantial financial commitments, and effective planning is crucial for successful repayments.

Certificates

BTECH
2024

cleancode
2025

• I Participated in (VIBA) app development using flutter

• IGYAN Internship Certificate.

* SMARTBRIDGE Internship Certificate
